Membership for 2016- 2017

Thanks to all who auditioned for membership in the Mixed Chorus this year! This year, over 100 singers auditioned to join 60 returning members. Anyone on this list who has now decided that he/she will **NOT** be singing with the Chorus this year should advise Dr. de Frece **immediately** by e-mailing rdefrece@ualberta.ca. Returning members who did not advise that they intended to sing in the UAMC this year (and, as a result, are not included on this list) should send Dr. de Frece an e-mail immediately so they can be added to the membership list and seating plan.

Auditions for Sopranos and Altos are now closed. Auditions for men interested in joining the Chorus will continue on Tuesday, September 13 Friday, and Friday, September 16. Men interested in auditioning should contact Dr de Frece at rdefrece@ualberta.ca to set up an audition appointment on one of these days.

The first rehearsal will be on **Wednesday, September 14 at 7:00 p.m.** in **2-115 Education North**. Music pickup and registration will be from **4:30 to 6:30 p.m. on Tuesday, Sept. 13 and Wednesday, Sept. 14**, outside **Room 2-115 Education North**. Picking up music requires payment of your **\$50 registration fee** and your **\$60 music deposit (cheque post-dated to May 15, 2017)**. Please note that registration *will* stop at 6:45 p.m. sharp on Wednesday, so **you are encouraged to register on Tuesday** to avoid long lines and the possibility that you will not have music at our first rehearsal.

PLEASE check this list carefully. Your name may be listed under a section in which you have not sung in other choirs (e.g. some mezzo-sopranos have been assigned to the Alto I section; you may have been an Alto I in other choirs and are listed as Soprano II here and some Baritones with lower voices will have been assigned to the Bass section).
